We in Bremen are very proud of our new school. Parents are proud because their hopes and plans have come true, and now their children can get a better education. Teachers are proud of their large, bright classrooms and the modern equipment they can use. And, of course, students are proud of the large auditorium used for sports and activities, and the lockers big enough for all the necessary books and papers, plus room for a heavy coat, trombone case, and basketball. We in Bremen are proud of all this, and even more, we are proud of the spirit of unity between the school and community that made this new school possible. And that is why

SENIOR CLASS PRESENTS "OFF THE TRACK"

Members of the Senior play cast from left to right are Susan Kelley, Marie Yoder, Carleen Dodson, Mike Bonham, Peggy Weil, Jean Heinke, Dorothy Hohman, Judy Huff, Linda Stephy, Connie Pfefferle, Linda Gunterman, and Pat Miller.

SENIOR PLAY CAST

John Morgan	Mike Bonham
Silas Dobbins	Dorothy Hohman
Betty Phillips	Connie Pfefferle
Flickie Nelson	Pat Miller
Joan Parker	Judy Huff
Mrs. Guarino	Carleen Dodson
Antonia Guarino	Peggy Weil
Bill Lindsay	Linda Stephey
Oscar Pozenby	Susan Kelley
Willie Woodson	Carolyn Baker
Evelina Bumpass	Linda Gunterman
Mrs. Vanderventer	Jean Heinke
Miss Pidgie McDougal	Marie Yoder

Silas Dobbins, the janitor, relaxes by the stove.

The senior class presented a comedy, "Off the Track," which was thought by many to be one of the funniest plays they had seen in many years.

One of the things that added to the humor of the play was the fact that, due to the shortage of enthusiasm on the part of the senior boys, all the boys' parts except one, were played by girls.

Marie Yoder, who played the part of a nosy old maid, Miss Pidgie McDougal, won the Best Actress Award.

CAREN AND PAT REIGNING QUEENS AT BREMEN

Pat Wilson, Miss Bremen 1963, poses with her court after the first Miss Bremen Pageant which was sponsored by the Bremen High School Hi-Y Club. Other members of the court are Brenda Schramm, Carol Tripsansky, Jeannine Hawkins, and Billie Biddinger.

Susan Kelley, Sheryl Hirstein, Caren Bellmen, Pat Miller, and Lyn Huff, football queen and court, pose for a picture after Caren had been crowned by Tom Zentz as 1962 Football Queen.

STUDENTS GAIN NEW EXPERIENCES AND RESPONSIBILITIES

Jerry Fore, Pat Miller, and Barbara Brewer discuss the many new things they learned while they attended Boys' State and Girls' State at Indiana University.

Marie Yoder and Barbara Brewer, valedictorian and salutatorian, try to decide which college to attend.

Carolyn Baker prepares a speech telling of some of her duties as D.A.R. Good Citizen.

These members of the brand new golf team, Tom Walker, Denny Keck, Jay Stine, Nick Schurr, Mike Bonham, Gary T. Young, and Bruce Griffin practice for a forthcoming match.

STUDENTS FIND PARTS OF SCHOOL LIFE FRIVOLOUS AND FUN

From Nick's indignant look, we can see that he has just spotted a crowder.

Whatever you call it, "ratting" or "teasing" it was the big fad in hair styles. Linda demonstrates the method on Jennifer.

Bremen affords students means of betterment in their spare time. Carleen is increasing her ability by use of the speed-reading machine.

Science and Engineering seem to be of interest to Pat, Gary and their friends as they scan the corridor bulletin board at noon.

MANY VARIED ACTIVITIES ENJOYED

Ballots are passed out to Pam Miller for our mock election this year. She seems ready to tear her opposing party to pieces.

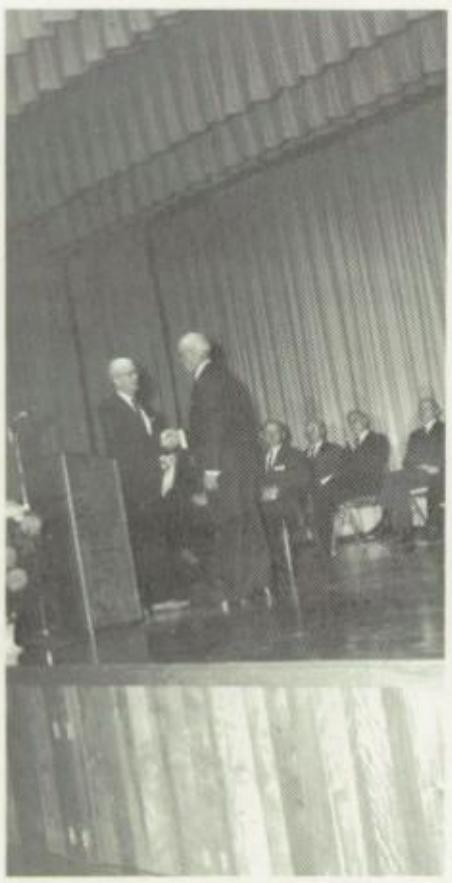
Our mock election was only one of the many activities in which the students took part during the school year. It was sponsored by the government class in order to further our understanding of basic democratic privileges.

Here, it looks as though the voting committee is hard at work registering Charlie and Carol.

When students from Bremen High make their entrance on the highways, they'll rank among the top!!

BY STUDENTS AT BREMEN HIGH

Bremen students saw two programs this year at Culver. The most enjoyed by students was the personal appearance of Benny Goodman and his band. It isn't often high school students are able to see and hear such a fine entertainer at such little expense. We are very privileged.



One of the highlights of the fall was the official dedication of our new Bremen High School.

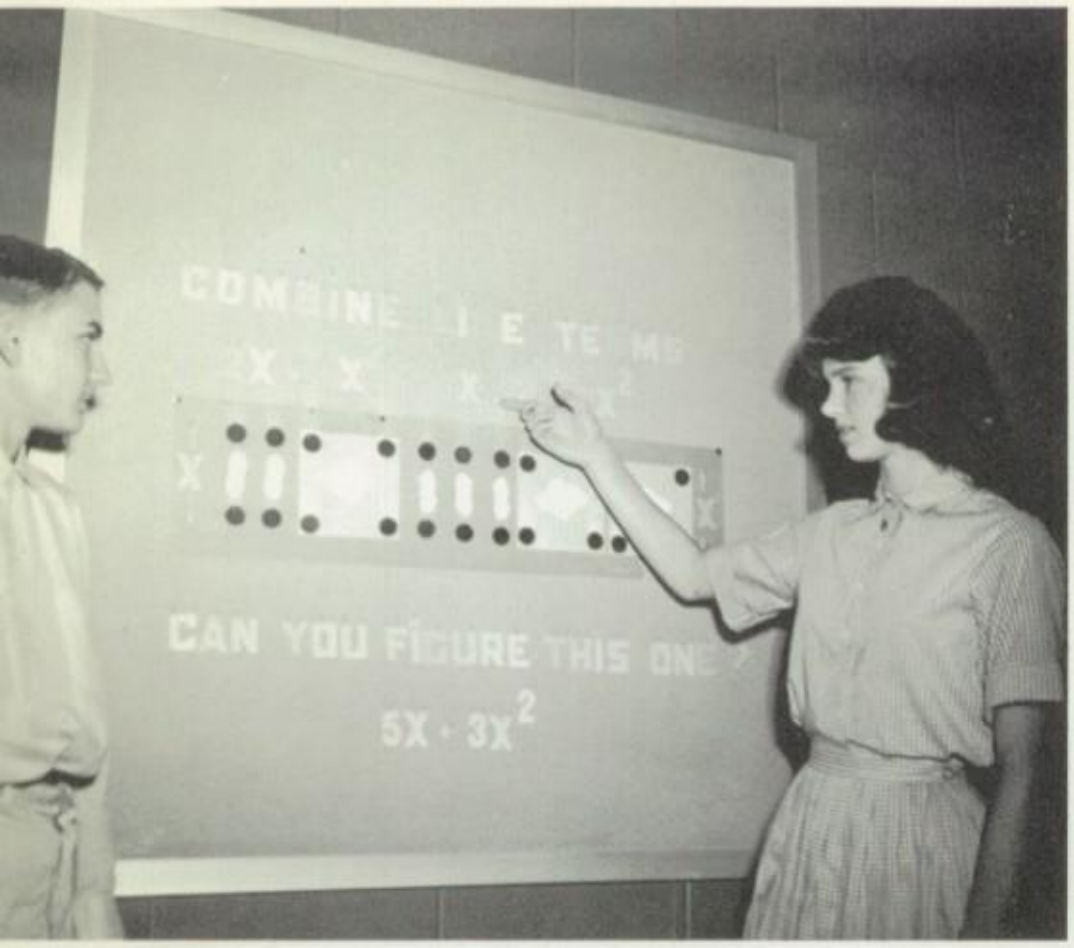
Many dignitaries of our community attended the dedication along with other Bremen citizens.

Lt. Governor Ristine honored our stage with his presence for the dedication. Thanks to the people of this progressive community we are furthering the education of our young people, and of the world — was an important point in Lt. Gov. Ristine's speech.

ACADEMICS

Bremen High School has had a very high standard for academic achievement in the past years. Although sports and activities give us a chance for enjoyment and accomplishment, academics ranks far above them in importance. Achievements one makes through high school may determine whether he is accepted in college, in a job, or in social life. We have a great opportunity for gaining knowledge through homework, experiments, demonstrations, and, most of all, through being in an atmosphere of learning. We should all be proud that we have the privilege of learning in our well-equipped school.

WE POINT WITH PRIDE TO . . .



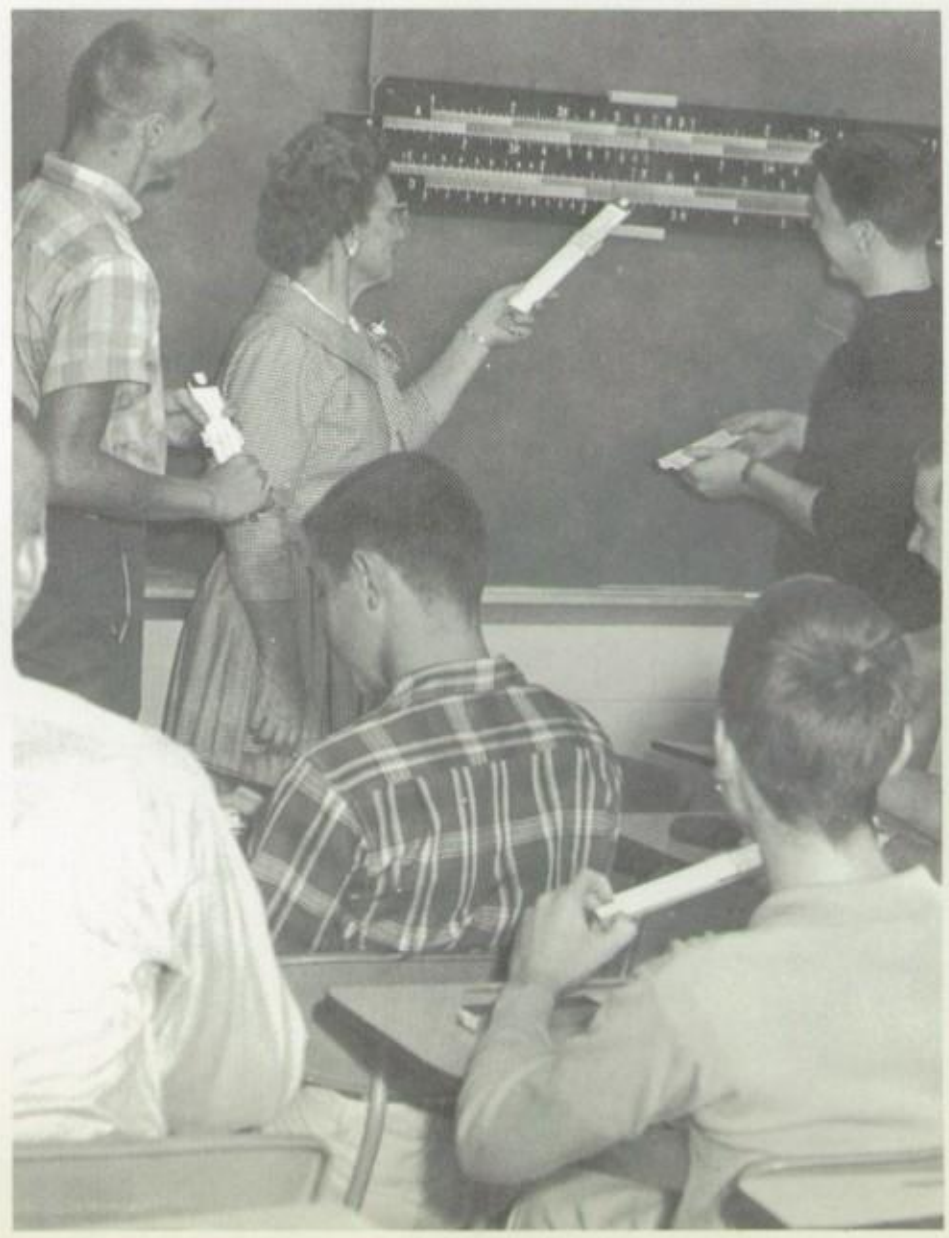
Hans and Susan learn some of the fundamentals of algebra.

Dick explains to Bob some of the "simple" rules of higher math.

SCIENCE AND MATH STUDENTS LEARN

The math department headed by Mrs. Molebash offered three advance courses for the year. They were Algebra II, Solid Geometry and Trigonometry. During the first two grading periods slide rule classes were offered to those students who were interested in learning how to use slide rules and were willing to come a half-hour before school started.

Other math classes offered were High School Math, Algebra and Plane Geometry.



Mrs. Molebash demonstrates to a baffled trig class the fundamentals of the slide rule.

Bremen students, guided by Mr. Leffel are busy with study and experimenting in both chemistry and physics to prepare for the future in this space age. The new laboratory is well equipped and gives the students needed space for their experiments and the locker storage eliminates confusion. Bremen students have every opportunity to leave high school with a good basic knowledge of science.

Required subjects for Freshmen also include biology. Students learn about the workings of their own bodies and of the many living organisms around them, from Mr. Koontz who has devoted many years to the Bremen science department.

Willie and Susan discover the miracles of chemistry.

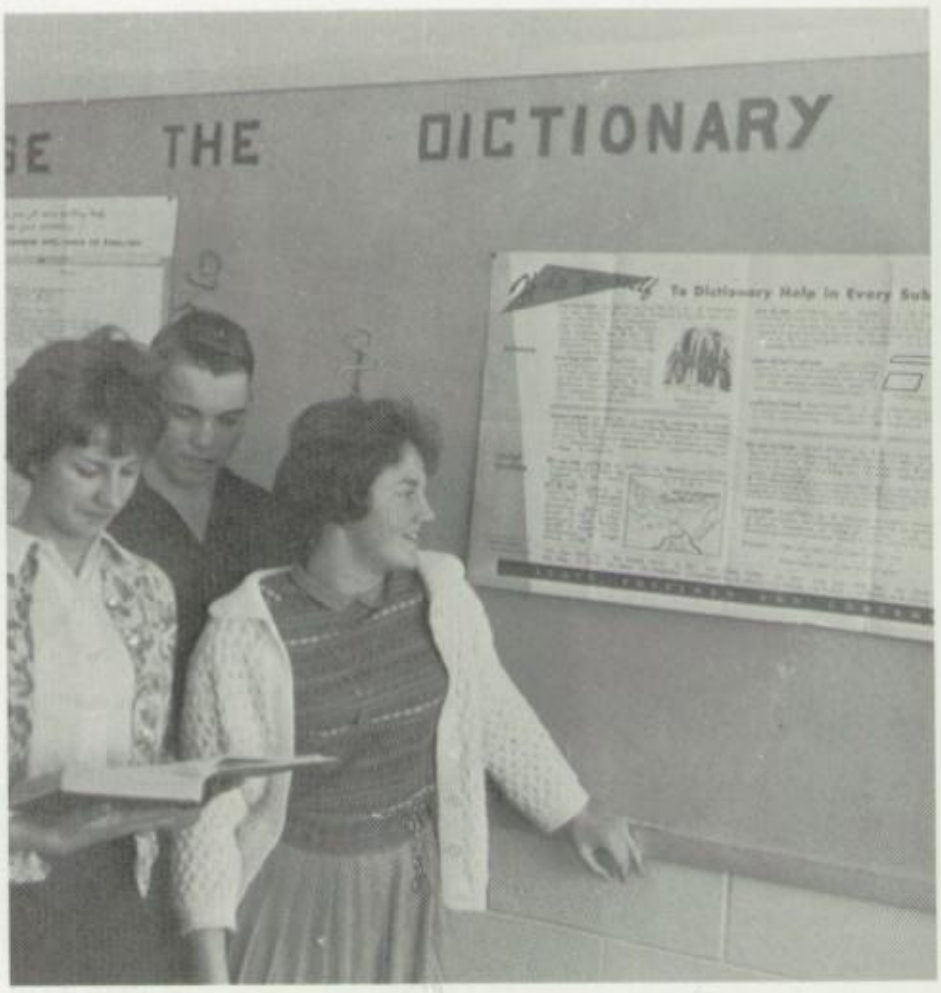
NEW FACTS FOR A BRIGHTER FUTURE

Mark and Terry demonstrate man-power as a physical science project.

Freshman biology is highlighted by the dissection of a frog.

LANGUAGE STUDENTS STUDY COMMAS,

Brian, Jennifer, Phyllis, Marie, Jerry, Cathy, Sylvia, and Cheryl were finalists in the broadcasting contest with their speeches, "What Freedom Means to Me" Not pictured: Maggie Pugh.

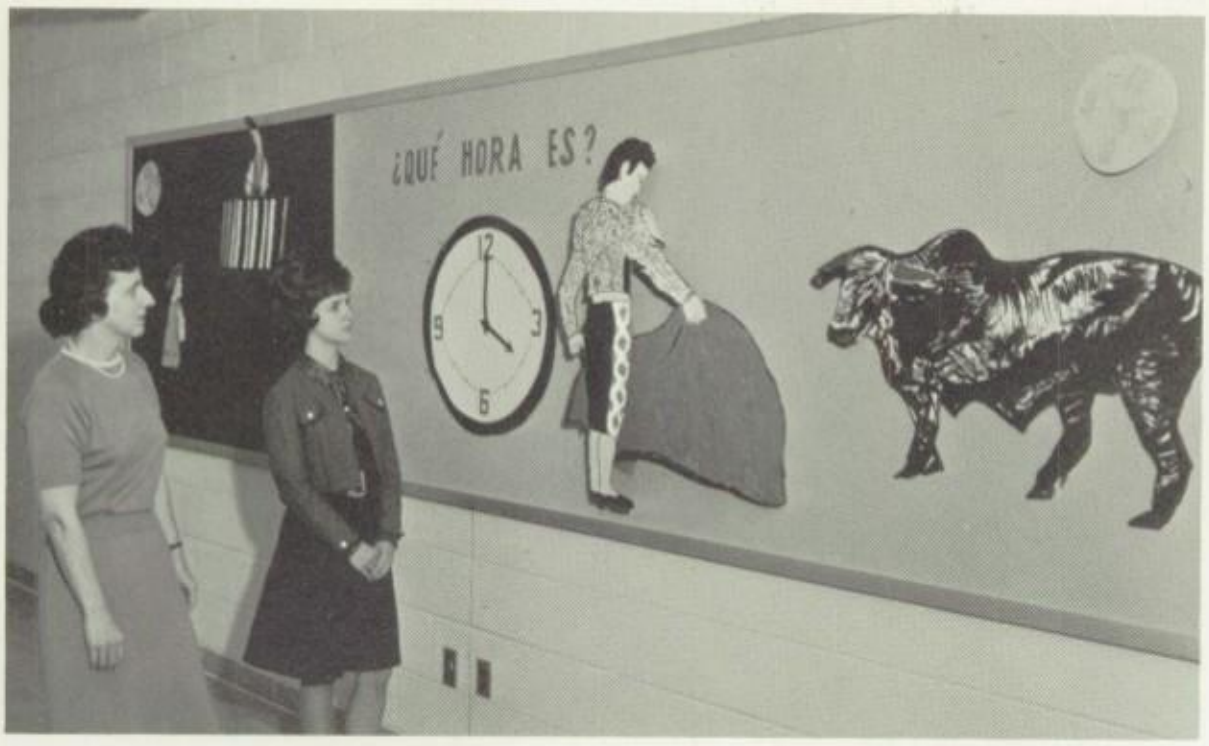


These Freshmen study how to get the most out of Webster's great book — the dictionary.

English is one of our most essential subjects. We use it constantly. Bremen students work hard so that they can use it correctly, for success often depends on our use of English. Study time is well spent on vocabulary, construction, themes and outside reading to broaden their knowledge of the world of literature. Speech study is also a great help to the student. By taking three years of composition and speech a student has a substantial background for his future vocation, whatever it may be.

"You're out of order!" Doris says as the juniors study parliamentary procedure.

CONJUGATIONS TOWARD EDUCATION



"Que hora es?" ... What time is it? Jennifer and Mrs. Clemens read the time in Spanish.

As our world seems to grow smaller, languages become more essential. Bremen students have the opportunity to study both Latin and Spanish. Spanish students learn to read, write and speak the language and acquire knowledge of the customs of our Spanish-speaking neighbors. Latin students profit from their knowledge of Latin in many ways. After learning Latin they realize how much Latin can help them and how much it is used today. This year a language laboratory is available to students so that they may learn to speak the languages more fluently.

Denilyn recreates the spirit of ancient Rome.

Bill shows Phillip how to properly drape and wrap a toga for the Latin initiation.

PARTICIPATION, ADDS INTEREST

Mr. Nierste explains to his economics class that the "best things in life" may not be free.

Social science students learn of the past, their duty as citizens, how to cope with social problems and much more through geography, U.S. history, world history, sociology, government and economics. Through this plan of study students graduate as citizens fully aware of their responsibilities and duties as citizens.

Since 1962 was an election year, the government class supervised a mock election for the entire student body.

Denilyn points out the "ears" of a newspaper to Gary and Sandy in sociology.

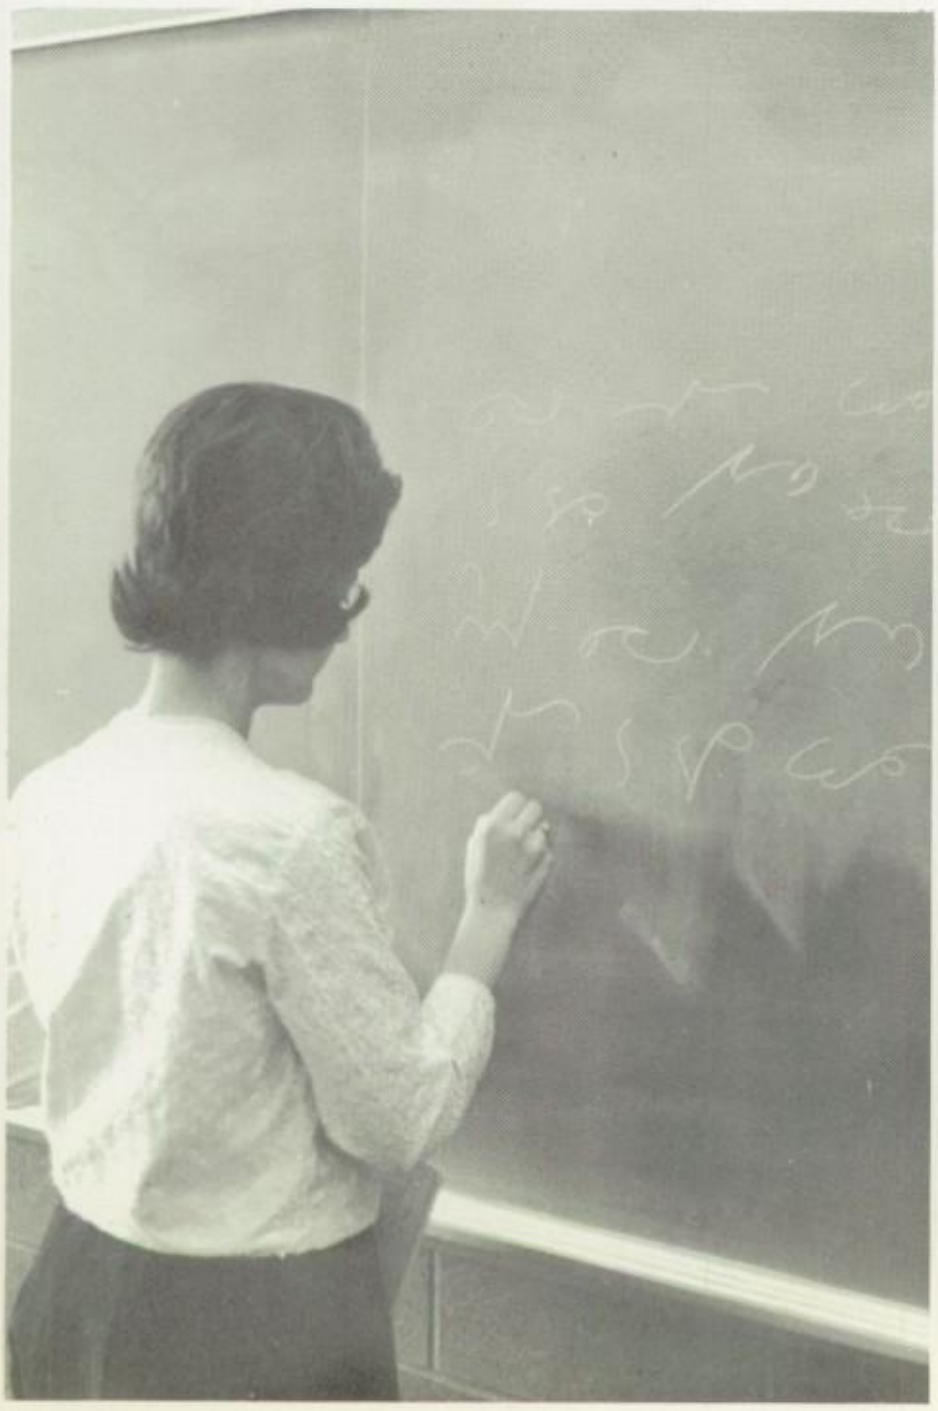
Diana puts up a bulletin board honoring the heroes of the Civil War.

IN SOCIAL STUDIES AND BUSINESS

The business department of Bremen High School offers many facilities to educate those interested in commercial work. The students can type "up a storm" with the numerous typewriters at their convenience in the typing room. The office practice gives the students an opportunity to learn to use the adding machines properly and to type with the use of the dictaphone. Through the shorthand class one can learn the technique needed in taking dictation whether it be on the boss's knee or otherwise.

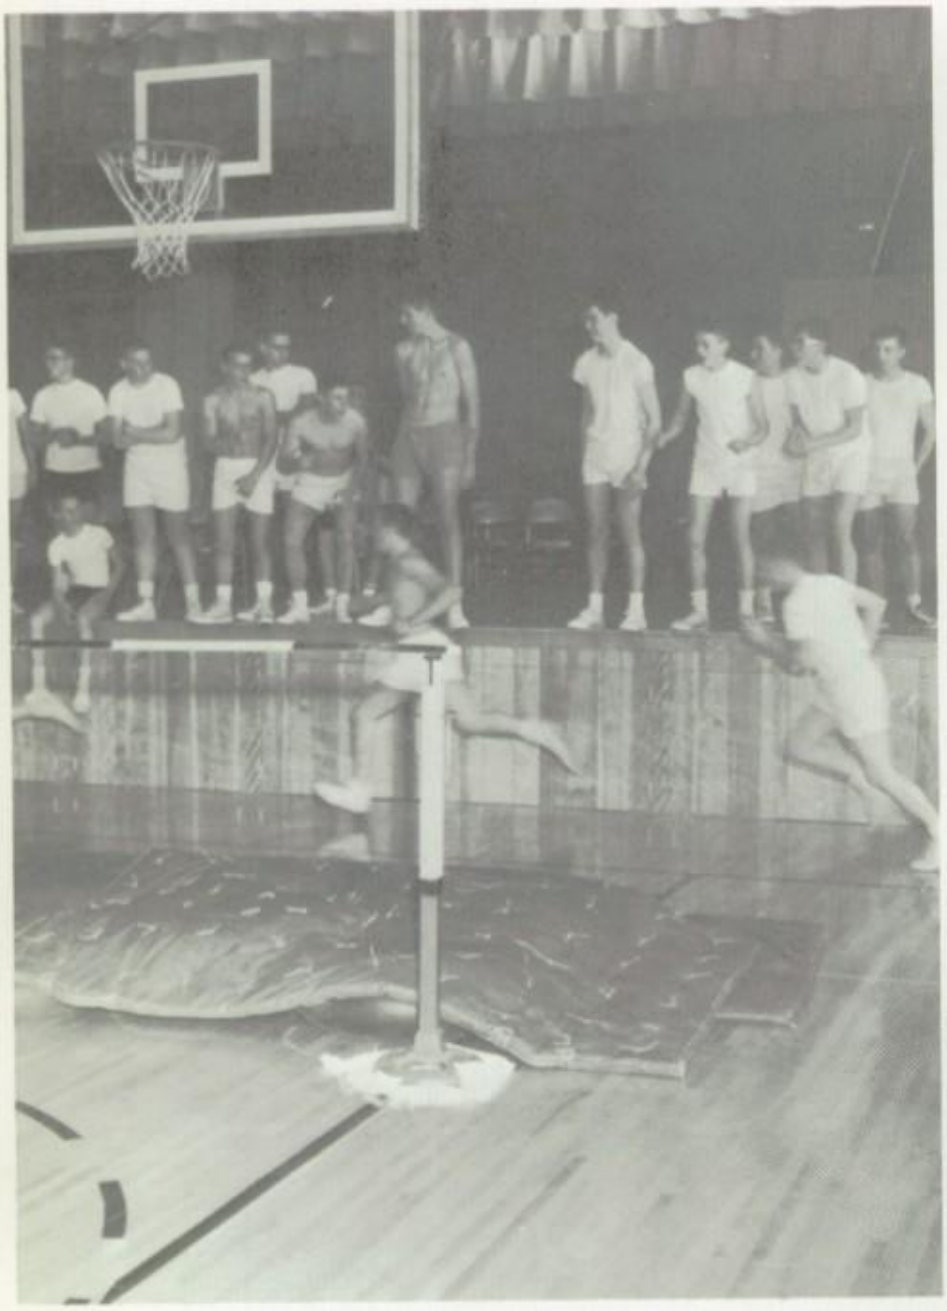
"In the red or out of the red . . . that is the question" — Mr. Replogle asks the bookkeeping class.

Judy! — Translation please??



The Typing class is busily learning the procedures of office procedure.

PHYS. ED., DRIVERS ED., AND HEALTH



The sophomore Phys. Ed. boys cheer on other members of the class in races.

Because of the importance of physical fitness in our life, physical education has realized an important part in our high school curriculum. The purpose of these classes is to build up students' bodies to their fullest extent. To achieve this goal, the classes participate in games of basketball and volleyball and learn the basic skills of each. They also learn many relays and forms of tumbling. Before each activity begins, students warm-up by doing exercises.

Rick and Charlie test their peripheral vision — an important factor for driving well.

"Get that ball!" "Get that ball!" The P.E. girls scream for their team.

HELP ROUND OUT A FULL CURRICULUM

Judy and Brenda look over a newly completed bulletin board devoted to nursing, a very important field toward better health.

All sophomore girls who are not taking Home Ec. and all sophomore boys are enrolled in a health class. These students study many things about the complex body we have. They study the senses and learn how each individual sense carries out its job. They learn about the five levels of behavior and how each one has an important part in our mental and emotional attitudes. They also study about the many types of mental illnesses and the symptoms of each.

Keeping the body in good condition is an important part of the practical aspects of health.

Rick and Stanley work on a bulletin board showing the five different senses.

The art class is the best "fun" class in high school; here, work is play. Everyone is serious about his assignments most of the time, but considering that the class is all girls except one, anyone can see why it isn't serious all of the time. This is a very relaxing class that does much toward boosting school interest.

We appreciate Miss Baker's ability to maneuver between both buildings.

These girls look very professional with their smocks and palettes as they put the finishing touches on their pictures.

STUDENTS LEARN TO BUILD A

One will learn a lot in Home Economics. Courses in child care, home nursing, foods, and clothing are offered to the girls. Our school has the latest equipment in the kitchen from which many good meals are forthcoming. We also have a fine section for sewing. Many fine garments have been displayed in the department display case.

Pat, Peggy, and Dorothy plan their future homes.

"Who's going to eat the first bite of this cake?" asks Ann.

Industrial arts develops the manual training boys will need in the future. During the year, they work on wood projects, metal projects, and drawing. The boys turn out many beautiful projects while they are learning a preview of a trade. They receive practical training in almost every phase of manual work which prepares them for the future.

These boys have finally learned to tell the difference between a nut and a bolt.

BRIGHT FUTURE WITH THEIR HANDS

Ralph puts the finishing touches on his wood masterpiece.

The sparks really fly in Mr. Robinett's class.

ACTIVITIES

It has only been a relatively short time since the idea that schools should provide extra-curricular activities besides the traditional "3 R's" became prominent. Bremen has an exceptional program of activities for the students. Girls and boys both have a chance to serve their community, enrich their minds, learn more about their chosen vocations, and achieve attention for jobs well-done. It is the school's hope that every individual will strengthen his character by participating in some of Bremen's activities.

SCHOOL LEADERSHIP EXCELS

ROW 1: John Koontz, Tom Zentz, Charlie Schreiner. ROW 2: Mr. Shively, Albert Campbell, Pub. Agent, Bob Kiel, Cheryl Hardy, Sharon Stevens, Sec., Bill Husmann, Vice-Pres., Brenda Schramm, Treas., Bob Berg, Pres. ROW 3: Jerry Berg, Paul Boocher, Tom Walker, Rich Schmidt.

The Student Council acts as the student's House of Representatives. The members are all good students, good citizens, and good leaders. They help better the day-to-day relationship among the students, faculty, and administration.

Student Council members receive an honor in being chosen to serve, and have always lived up to their obligation by doing the best job possible.

Another organization that bestows an honor upon its members is the National Honor Society. Students chosen for membership must excel in scholarship, character, leadership, and service. This organization is for juniors and seniors and holds its induction exercises at the start of the second semester.

Sheila Swank; Margaret Pugh, Secretary; Barbara Brewer, Publicity Agent; Jerry Fore, Treasurer; Mrs. De Moss, Sponsor; Mr. Shively; Marie Yoder, Vice-President; and Carolyn Baker, President.

STAFF MEETS DEADLINES

Marie, Jennifer, and Barbie look over pictures to be sent in with our second deadline.

Mrs. Yoder discusses new ideas with the chief editors of the '63 SPRIG.

This year's Sprig O' Mint Staff has had its share of problems — deadlines to meet, budgets to balance, and compromises to make. However, the work and the apparently endless correction was made, the last picture was finally taken and the last line of copy written. The staff was exhausted but proud of their efforts as they waited hopefully for the final edition.

Mike relates an interesting incident that took place at a football game he was covering.

TWIN SERVICE CLUBS HELP SCHOOL

The Jr. Tri-Hi-Y girls, under the leadership of sponsor, Mrs. Walsh, participated in many new activities as well as doing their usual good works. Besides collecting canned goods to give the needy for Thanksgiving, and caroling with the Hi-Y boys at Christmas, these freshman and sophomore girls affiliated with the Mishawaka Hi-Y, Tri-Hi-Y group. Many gains were made by this, including being able to swim in the beautiful pool at the Mishawaka YMCA.

SuZane Kimble was also a candidate for queen of the Swingheart Sway held at the Indiana Club sponsored by the Mishawaka Tri-Hi-Y, Hi-Y Council.

Members of the Jr. Tri-Hi-Y work together for next service project.

The Senior Tri-Hi-Y girls are busily preparing for the Shamrock Sparkle, a dance for high school students.

AND COMMUNITY

Good will is promoted throughout the year by the Sr. Tri-Hi-Y in such activities as making Thanksgiving baskets for the needy of our community and caroling at Christmas time. This year the group sold candy as a money-making project to carry on their good works throughout the school and the community. Under the watchful eye of their sponsor, Mrs. Molebash, the group also brought back school dances by sponsoring the Shamrock Sparkle. This was one of the most worthwhile projects the club has done during the year.

Their newest achievement was the affiliation with the Mishawaka Hi-Y, Tri-Hi-Y clubs. They have gained many experiences by this membership including the use of the beautiful Mishawaka Family YMCA pool.

Sheryl looks happy with the work that Susan is doing on the poster they made.

The Hi-Y Club of Bremen High has increased its activities as well as the size of its club this year. Since affiliating with the St. Joseph County Hi-Y—Tri-Hi-Y clubs, the club has used the beautiful new olympic-size swimming pool at the Mishawaka Family YMCA along with the BHS Tri-Hi-Y clubs, they have given $72.50 to the World Service Organization which sends men and women to the backward nations of the world to give aid and raise the living standards.

The largest undertaking of any club at BHS was endeavored by this year's Hi-Y club. They conceived and produced the First Annual Miss Bremen Pageant, a project worth special attention from the whole community. After formation of a working committee of Hi-Y boys, the Bremen JayCees were asked to help with the project in hopes of combining the Miss Bremen Pageant with the JayCee Junior Miss Pageant in future years. Successfully carried out, Miss Pat Wilson is now the reigning Miss Bremen.

Sheryl Hirstein, sponsored by the Bremen Hi-Y club in the pageant makes a lovely addition to Hi-Y memories.

Key Club is an international service organization for boys in the 10th, 11th, and 12th grades of high school and is sponsored by Kiwanis International.

The purpose of the Key Club is to give leaders in a high school practical experience in citizenship responsibilities by actively participating in service projects done by the club.

The Bremen High School Key Club is sponsored by the Bremen Kiwanis Club with an advisor from the high school faculty. During the year it did numerous projects for the school including erecting two Christmas trees during the holiday season, sponsoring an anti-vandalism campaign at Halloween time, and during an entire week doing a daily message on the morning announcements on the 1962-63 Key Club International Theme and its objectives, "Fulfill Freedom's Challenge."

Jerry Fore, a member of the local Key Club, had the great honor of being elected as Secretary of Key Club International when he attended the convention of Key Club International held at Long Beach, California. Representatives from all over the United States and Canada attended this convention.

BAND PRODUCES MUSICAL

The Bremen High School Band was somewhat "snowed under" this year. Because of snow, drifting, and school closing, it was forced to cancel a band concert and postpone several band shows. Also, because of the weather, many students were unable to attend the district band contest. However, under the direction of Mr. Arthur Wilson, Bremen's "music man," the band under-

"GET UP AND GO"

took one of its most ambitious projects in many years. Band and chorus members produced and staged a musical comedy, "Get Up and Go" early in the spring.

In addition to this, the band played at the dedication services for the new school. And, of course, they marched in many parades in the summer, including the Mermaid Parade and the "Miss Plymouth" parade.

9 and 10 band show mixed emotions over band rehearsal as they wait quietly for class to begin.

SPOTLIGHT SHINES ON TWO DANCE BANDS

ROW 1: Susan Kelley, Sheila Swank, Pat Miller, Sheryl Hirstein, Dixie Pittman, ROW 2: Kathy Huber, Dennis Keck, Dennis Weaver, Tom Walker, Jane Beer, ROW 3: Carl Grebe, George Schmitt, Bob Ealing, Charlie Schreiner.

SEATED: Mark Crittenden, Jane Beer. STANDING: Dennis Weaver, George Schmitt, Dixie Pittman, Sheila Swank, Pat Miller.

The Bremen High School Dance Band, which was formed to give members of the band a chance to play dance music was very active this year. It played at one basketball game, and at the LaPaz Christmas Dance. The members also played the accompaniment at the Miss Bremen Pageant.

The Combo, which is usually called the little Dance Band, was newly organized to play more modern music in a smaller group. This band played at a dance at Walkerton.

CHORUS MEMBERS LEARN CULTURE THROUGH MUSIC

The chorus along with the high school band staged a musical entitled "Get Up and Go" in April. The chorus was also active in other programs including the Beautiful Lady show in March and other school functions.

Bill, Barb, and Sally find singing together an enjoyable activity.

LIBRARIANS AND SCIENCE CLUB ADD INTEREST

Science Club members gather ideas for the 1963 science fair. They are: Lowell Koontz, advisor, Maggie Pugh, Jim Wagner, sec., Bruce Yoder, pres., Garrie Ketchum, Jeff Loucks, John Solomon, and Gary T. Young, vice pres., not pictured.

A new addition to our Library this year has been the use of this paperback book stand. Students may purchase books for reports or just for their personal library. Jennifer and Marie seem to have found some very interesting books during their leisure hours.

The librarians perform a very useful task since Miss Shively is now taking care of two libraries. They are Sally Sullivan, Bruce Yoder, Janet Kipfer, Vera Borkholder, Brenda Schramm, Jolene Hummel, Dorothy Hohman, and Miss Shively, advisor.

SPORTS

Our vastly diversified school offers many opportunities in the line of sports to the young men of our school. Every season of the year is filled with the excitement of some sport or another. Fans crowd into their seats to lead their team on to victory. All of the screaming and cheering is as much a part of the sport as the playing of the game itself. Hoarse throats are naturally expected from the loyal spectators. Bremen has always been admired for their good sportsmanship as well as their loyalty, and this year was no exception. Good sportsmanship was demonstrated from the cheerleaders, the players, and the fans whether we won or lost. For years a plaque stating, "We won't boo, how about you?" has been hanging in our gymnasium as a symbol of true good sportsmanship.

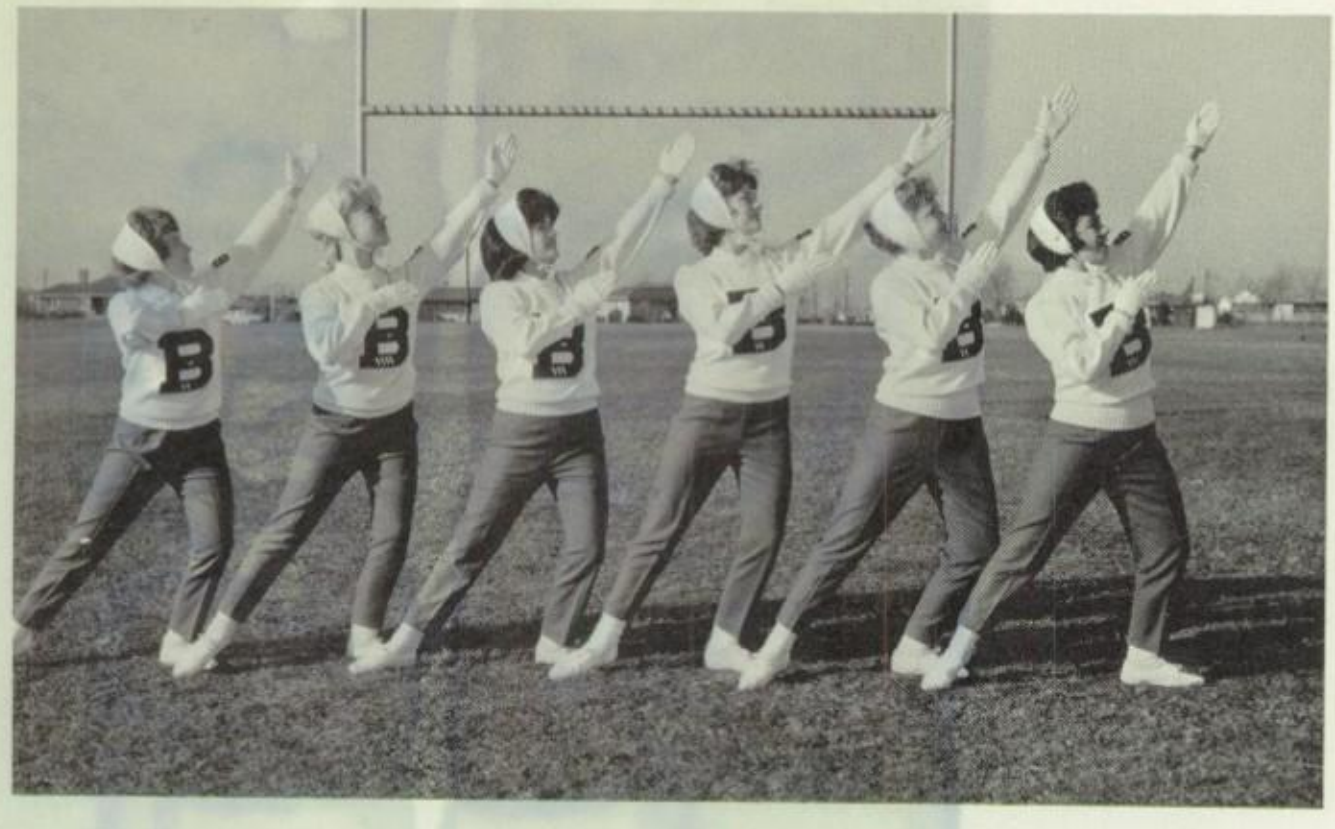
KIDS SKID



Cheerleaders Judy Bowen, Pat Miller, Diana Miller, Lyn Huff, Connie Pfefferle, and Bonnie Germann led the enthusiastic crowds.

Bremen's Lions, although spiked with toughness and determination, had a losing season. The first of the season seemed hopeful, but the team couldn't quite make it for the rest of the year. One of the most exciting games, and the highest point of the season for many, was the defeat of Nappanee, our arch-rival.

Tom Zentz, one of the graduating seniors, was honored by being selected to be on the second team of the all-area team.

Bremen's First Eleven — Bob Ealing, Terry Miller, Stanley Slusser, Richard Schmidt, Bill Silveus, Tom Zentz, Mike Swank, Jack Stock, Carl Grebe, Herman Coffel, and Craig Roeder gave our team the backbone needed in defeating their foes.

COUNTY TOURNEY CROWN

Our six vivacious varsity cheerleaders, Diane, Bonnie, Judy, Lyn, Pat, and Connie pose with ferocious Leo, our mighty lion.

Our Bremen Lions basketball team turned up a winning season this year with 13 wins and 10 losses. This season our Lions, after losing to Bourbon, came back to beat the Comets in the County Championship by one point. The leading scorer for Bremen was Buzz Anglin, a Junior with an average of 16.2 points per game.

Besides having a winning season this year many of our losses were close games all the way. Graduating Seniors on the team are captain Tom Zentz, co-captain Bob Ealing, Willie Misner, and Jim Heckaman. Bremen will be looking for a strong basketball team next year also since both of our top scoring players, Buzz Anglin and Craig Roeder will be back.

Up, and then in; another 2 points for a couple of varsity cagers.

"THE PURPOSE OF SPORTS FOR GIRLS
IS THE GOOD OF THOSE WHO PLAY."

The motto expresses the aim. of G.A.A., which is to promote high physical efficiency among the girls of Bremen Senior High School. By offering facilities, organization, and instruction in a variety of activities, the organization aims to stimulate participation for every girl in some form of wholesome physical recreation. It plans to give opportunity for the girl with special talents to develop them to her own satisfaction.

Remember how great you thought a hike would be??? Now what's the verdict??

FACULTY

Our faculty throughout the year has shown patience, knowledge, leadership, and a sense of humor. They have acted not only as our instructors, but also as friends, advisors, and sponsors of our extra-curricular activities. They have endured our groans over grades and assignments and have been delighted as an occasional enlightenment is seen in a "scholar." Our faculty, trying new methods with the aid of the extensive equipment available at our new school, is presenting a broad and varied curriculum.

MANY HELPERS CONTRIBUTE SERVICES TO SCHOOL

Mrs. Brown, Mrs. King, and Mrs. Laudeman help prepare the appetizing meals prepared for high school students.

Mrs. Miller, Mrs. Reimer, Mrs. Wilson, Mrs. Walterhouse, Mrs. Moser, and Mrs. Parrot work in the elementary cafeteria making nutritious lunches.

Bus Drivers who drive students to and from school are SITTING: Mr. Heckaman, Mr. Heckaman, Mr. Reed, Mr. Molebash, and Mr. Senff. STANDING: Mr. Schwiesberger, Mr. Blosser, Mr. Hirstein, Mr. Boocher, Mr. Bowen, and Mr.

These custodians of the new school are Mr. Heckaman, Mr. Bowen, and Mrs. Bowen.

Mrs. Balmer, Mr. Musser, Mrs. Whitsel, Mr. Whitsel, and Mr. Young are the custodians of the elementary school.

STUDENTS

As the bell rings, the students burst forth from the classrooms. For a short three minutes the halls are a sea of milling students. Some are hurrying to their next classes and others are looking for their friends to pass a few rushed moments of conversation. There is a loud clattering of locker doors and some shouting as the stragglers make a last-minute dash to their rooms. Another bell vibrates through the corridors; the classroom doors are closed. Once again there is silence. Classes are now in session, and it will be an hour before the scene is repeated. This has been a brief glimpse of the student body of Bremen High School.

It is fitting that the advertising section should serve as a sort of epilogue to this yearbook, for, while the advertisers do not play an active part in school life, they have made our annual possible. It is because of their generosity, co-operation, and genuine interest in the school and its students that the memories of this one school year have been preserved forever. And the memories certainly include such things as a soda after school, a new dress, the latest popular records, and a pizza after a football game. Needless to say, these things came from the businessmen of our community. We can only hope that we live up to their faith and trust in us by helping to make this a better community and a better world.

ACKNOWLEDGEMENTS

We would like to express our sincere appreciation to the businessmen of this community who backed our efforts and to the teachers, who gave us their willing co-operation. Also, we are grateful to the students who were always enthusiastic and willing to work hard. We owe special thanks to Mrs. Yoder, without whose patient understanding we could never have completed this yearbook.
